

K-LOVE is an amazing station, I listen to it in my car and at work. We do not have many Christian radio stations in Bismarck and having K-LOVE has been so uplifting and is a huge blessing to have constant Christian music to listen to. K-LOVE helps so many people and has brought so many to Christ. We need this positive radio station in our city. I believe our community would be highly effected by LPFM broadcasting, loosing K-LOVE would be a huge disappointment in my life. Having the ability to listen to this station has changed my life and has brought me closer to God. Everyone in our city should have the chance to listen to such an inspiring and uplifting radio station. The service K-LOVE provides has changed so many people's lives, year after year. This year alone this station has brought 8000 people to take Jesus into their lives and asked him to be their Lord and Savior. Without the opportunity of having this station, those people may have never come to know Christ. That is a huge number of people. This station has changed people's lives. I look forward to listening to it every day, and my day is so much more relaxed when I do listen to it. I am very blessed to have this music in my everyday life. God works through music to touch people and bring them closer to him, and K-LOVE makes that happen everyday. Please keep K-LOVE on the FM translator.
